\$67/hr all-inclusive offer

The Healing Massage AZ in home, concierge style massages are all-inclusive. The \$67 one-hour massage includes the tip, travel, setup, EVERYTHING. No gas surcharge, no uncomfortable figuring out how much to tip – one fee, all-inclusive. AND we come to YOU!

To take advantage of this one low fixed price, just pre-pay for your next month (or more) of massages and lock-in your spot on the schedule.

For example, if you want one 1 hour massage per week (4 per month), you'd pay \$268, for next month's massages.

If you want two 1 hour massages per month, you pay \$134 to lock in your price for next month.

Then at the end of each month (your last prepaid apt), simply pay for the next month. At that time you can increase or decrease the number of massages or change from 1 hour massage to 1.5 hour or 2 hour massages schedule permitting.

Terms and Conditions

- Pre-paid massages do not roll over. You can, however, give a massage you can't use to someone else in my area of service (Green Valley, Sahuarita, and some areas of Tucson).
- I will do my best to accommodate reschedule requests within the month. Please give at least 3 days' notice for any cancellations or reschedules. This will allow me to best accommodate all my clients and be able to keep offering you this great rate.
- You can cancel your pre-paid massage arrangement at any time simply by not renewing the next month. You can then schedule as needed, but realize that it may be difficult to schedule and you may not get your ideal time.
- Pre-paid massages are NOT refundable.
